

We would like to express our gratitude to the committee members for their dedication and commitment, which enables this ensemble to thrive. 2019 sees the 40th anniversary of the ensemble, and we look forward to celebrating this event with you and former members.

With special thanks to:

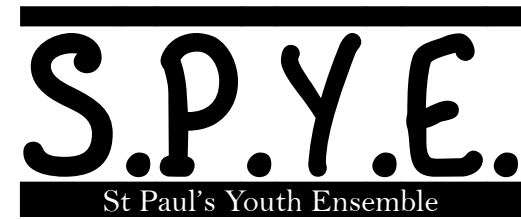

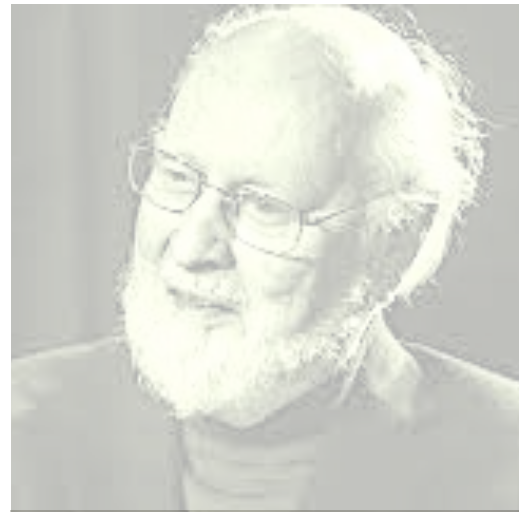

Katrina Buzzard, who has coached the woodwind section.

Ian Teoh, for accompanying our soloists.

And, of course, you the parents for your continued support.

We are now officially recruiting woodwind and brass players, as this term has seen the first stage of the senior ensemble evolve into a symphony orchestra.

We hope you have a wonderful summer, and look forward to seeing you next term.
